RESPONSE TO ERRONEOUS NOTIFICATION OF A DEFECTIVE RESPONSE

Sir:

In response to the Notification of a Defective Response mailed August 8, 2001,
which was obviously mailed in error, applicants attach hereto two sets of claims:

1. Pages 48-50, English translation of originally filed PCT claims; and
2. Pages 48-50 marked "AMENDED SHEET", English translation of claims as
amended in the International Bureau.

**Both of these sets of claims were filed with this PCT national stage
application on February 1, 2001.** Further, in response to the Notice of Defective
Translation mailed with the Notification of Missing Requirements mailed April 27, 2001,
applicants submitted an additional copy of pages 48-50, the English translation of the

originally filed PCT claims, with the response mailed on June 26, 2001.

Since the English translation of claims as originally filed, as well as the English translation of the amended claims, were both present at the time of filing of this PCT national stage application, **no processing fee under 37 CFR 1.492(f) is due.**

Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees to Deposit Account No. 11-0345. Please credit any excess fees to such deposit account.

Respectfully submitted,

KEIL & WEINKAUF
